Proprio una bella scoperta

A really great Discovery

E se ci metto una stampa vintage?

What if I added a vintage print?

Forest
vol. / 01 _ 76

Discovery il tavolo allungabile in vetro temperato sta bene con qualsiasi abbinamento e in qualsiasi contesto. Con la sedia Forest è proprio l'ideale... E se ce la mettessi in color senape?

Discovery, the extendible table in tempered glass that goes well with any combination and in any context. With the Forest chair, it's truly ideal... What if I added a bit of mustard color?

Tre, due, uno… partenza!

UN'OTTIMA LINEA

La linearità delle forme è la parola d'ordine di Kite, un tavolo allungabile con un particolare senso dell'essenzialità e dell'eleganza: perfetto in cucina ma anche nell'ambiente dining.

An excellent line

Its shapes are linear: this is Kite's password. Kite is an extendable table with a particular sense of essentiality and elegance: perfect in the kitchen and in the dining room too.

_ 40

LA REGINA DELLA CASA

I tavoli Corona uniscono un design decisamente glamour a un'estrema versatilità, per ogni ambiente e situazione. Con base metallica a tromba, hanno un piano tondo adatto per la cucina e il living.

The queen of the house

Corona tables unite a clearly glamorous design with extreme versatility for all settings and situations. They have a metal trumpet base and a round top suitable for kitchen and living room.

_ 60

PIENO DI POSSIBILITÀ

Full è un essenziale e versatile tavolo rettangolare con struttura in metallo laccato e piano allungabile in vetro o melaminico, con i quali è possibile giocare a creare i più diversi abbinamenti… tutti vincenti.

Bursting full of possibilities

Full is an essential and versatile rectangular table with a lacquered metal structure and an extendable glass or melamine top – you can have fun in creating the most various combinations … and they are all winners.

_ 26

COME IN PRIMA CLASSE

Il tavolo allungabile Klass ha una struttura in estruso di alluminio, una tecnologia utilizzata anche nel settore aeronautico, che lo rende leggero e resistente. La sua estetica è di alto livello e coniuga design ed essenzialità.

Just like in first class

Extendable Klass table has a structure made of extruded aluminium, a technology also used in the aeronautical industry, which makes it light and resistant. It has top-level aesthetics and unites design and essentiality.
